The connection with Nessebar and Bourgas is very convenient. The complex is the only 4-storey building. There is a restaurant, a swimming pool and a playground for children within the complex area.

All imaginable attractions such as Aqua Parks with wild and lazy rivers, water playgrounds for children, castles, slides, bars, restaurants. All sorts of sport activities can be gone in for: surfing, water skiing, parachute flights after a motorboat, sailing, kayaks, scooters, motorboats, beach volleyball, golf, and horse riding. There are many great places for children - lots of different playgrounds, games, slides, springboards, sports schools. A special meeting in the Bulgarian village with dances, singing and local delicacies is an absolute must. A jeep ride in the natural reserve can be organized. We recommend the night life here.
