All apartments are well designed and will be built with materials of the highest quality.

PLATINUM Residences II boards to the south with the area designated and housed by ambassadors and diplomats residing in Sofia. Naturally, the security and safety in the area is tightly kept and the infrastructure and sanitation is well preserved. The contemporary design of PLATINUM Residences II naturally blends with its surroundings. Taking advantage of the natural slope of the terrain, the terraced balconies have been designed providing our tenants with stunning view of the Vitosha Mountain and the city.

PLATINUM Residences II is located on Kiril Popov St, in close proximity to the Diplomatic Residences and within walking distance from Simeonovsko Chosse, a main boulevard connecting the Southern Boroughs of Sofia with the city centre. The business and administrative centre of Sofia is easily accessible within 10-15 minutes drive.

Sofia's Business Park is only 10 minutes away and the airport can be reached within 15 minutes.

#### **Attractions**

The huge redevelopment of the city is making Sofia one of the most attractive place to live and work in the region. Whilst Sofia will never rival Prague for its historical sites, there are numerous places of interest to visit including the Russian Church, Russian Church, Sofia Synagogue, galleries, museums and, Sofia's crowning glory, the impressive Alexander Nevski memorial church. You will also see set-piece public buildings along the tastefully cobbled streets and the pedestrianised Vitosha Boulevard attracts visitors for its stylish shops and the impressive views south towards Vitosha mountain.

In Spring and Summer you will see bars and cafes springing out onto the pavements and parks and visitors enjoy affordable quality dining and a thriving bar culture. The city is gaining a new more hedonistic edge as it grows and prospers. As the centre of the city is flat it can be covered on foot with ease.

Moving just 12km out of the city brings you to Vitosha Mountain which is perfect for outdoor pursuits. The city is only an hour away from the established mountain resort of Borovets and one and half hours from Bulgaria's second city of Plovdiv. Whilst there are many improvements still to come, a glimpse of its future status can be observed with its modern airport terminal, business parks and shopping centers. These are all strong pointers that this city will not remain the current property bargain destination for long.
