Description

Vantage Heights is situated 20km north of Varna on Bulgaria's Black Sea coast just inland from the famous, long sandy beaches of Albena.

With superb panoramic, sea and inland views within easy reach of Varna and its international airport you will find that this is a most picturesque, exclusive and relaxing place. Extensive facilities will entertain you, your family or your tenants whilst staying at Vantage Heights; everything from a two tiered swimming pool to a 200 seat restaurant, squash and tennis courts, spa centre and an acre of landscaped parkland. Every effort has been made to design a unique complex to help wind away the stresses and strains of normal life and relax in the Bulgarian sunshine.

Attractions

Albena offers high standard hotels with a choo-choo holiday train for tourist traveling between them. A 7km long and 150m wide sandy beach is a holiday dream come true. Albena has a Blue Flag badge - it is awarded to ecologically clean areas. Soft descent to the sea, shallow shore, sandy sea bottom and complexes of hotel swimming pools and playgrounds make Albena a place perfect for families with children.

Albena also offers a number of attractions - the famous casino with varieté shows, night clubs and discos, exclusive horse riding center. Albena is highly valued by those who enjoy active recreation and sports. A yearly car rally, children's song festival, international beach volleyball competitions, tennis and boxing matches, and regattas take place here. In 2002, international aerobatics championships took place in Albena. The tourists take long walks in the town after a hot, sunny day, and the restaurants, pubs and taverns invite to taste the local dishes and wine. You can also visit the cabaret.
