Description

The 3 Mountains Golf & Ski Resort is situated in the middle of two ski regions, the well known Bansko and the recent development "Kulinoto", few minutes away from the newly build golf course and the just opened incredible SPA centre "Katarino". This perfect location ensures magnificent views towards the hills of the Pirin Mountain and to the prominent mountains Rila and Rodopite. The entire development is designed in the typical architectural style of the region, with predominant application of natural materials such as wood and stones. Twelve individual houses and a small hotel are placed on the total area of the 17,000 sqm. The natural slope of the area and the optimal position of each of the buildings ensure perfect views towards the mountain. Each house has limited number of apartments and you can choose from a studio, one or two bedroom apartment. Every apartment has a parking place outside the residential area of the complex. The regulations and the security of the complex will be guaranteed by a specialized company, especially selected for the purpose. All non residents will have limited access to the complex.
