Description

The Golden Beach complex is located at the wide beaches of the Black Sea. This new building is situated in the so-called first coast line. A private apartment house has everything you need for summer holidays. The location in the center makes communication fast and easy. The airport in Bourgas is just 27 km away; it takes a 10 step walk to get to the beach. The complex has just been opened. All apartment owners have access to outdoor swimming pool [it has a special part for children], 24-hour reception and security services, lobby bar, shops, parking lots and snack bar. The apartments are in 'turn-key' condition. Air conditioning is everywhere. Furnishing is available as the developer's option or BCI Menada's service.

Attractions

The attractions of the Sunny Beach are at hand. A large aqua park is just a couple of minutes away. Shopping precincts, bazaars, hundreds of music clubs, bars and restaurants with folk performances and live music, indoor and outdoor discos are all there. Do you want to take an exciting quad ride or horse ride in the mountains, or perhaps dive to see the shipwrecks? It is all there waiting for you. You can also take a boat to Nessebar - the port is just 400 m away from the complex. How about a trip to Istanbul? Not a problem - a hydrofoil boat will take you there and the cruise takes just a couple of hours. There are many attractions and nobody will be disappointed.
