### **Especially recommended for**

#### **Description**

The Riviera Fort Beach complex is located just at the beach in a small town called Ravda. It is perfect for families with children and those who simply want to relax in quiet surroundings. There is a playground, swimming pools, restaurant, and a guarded parking lot. The housing estate has a private exit to the beach. The ancient city of Nessebar and a beautiful Ravda is nearby. The people here are very friendly. The construction of the building was finished last year that is why there are a couple of apartments for sale. Flats with a view of the sea are still available.

#### **Attractions**

There are many small restaurants serving delicious and cheap dishes open in the summer season. There are a fruit market, disco, lots of shops and pubs located in the city center. The town is recommended for young people because of the number of discos and pubs. There are many other tourist attractions: beach volleyball pitches, swimming pool complexes, tennis courts, and beaches [most of them belong to hotels].
